two City Council vacancies to be filled at the April 13 municipal election.

In a prepared statement, Krysl said "I am running on an independent ticket and, therefore, will not have to take orders from anyone. I will work for the interest of all the taxpayers and citizens of this city."

The candidate is an Albany home owner, is married and the father of two sons and a daughter. He is a member of the Marin Dads' Club, the Veterans of Foreign Wars and the American Legion and a former member of Eagle Aerie No. 5 Drum Corps and Masonic Lodge No. 166.

Junior Chamber Schedules Candidate Forum March 31

The Albany Junior Chamber of Commerce today has scheduled a candidates' forum to be held on Wednesday, March 31, 8 p.m. at Cornell School Auditorium, according to President Mickey Etingoff.

Invitations have been extended to each of the 17 candidates campaigning for one of eight city vacancies to be filled at the April 13 city election.

Etingoff also extended an invitation to all Albany voters and interested citizens to attend the forum, which is being given in the interest of civic betterment of the community.

"The forum will give the citizens an opportunity to better understand the various candidates, their platforms and their ideas and background," said Etingoff. "We of the Junior Chamber feel that this public meeting will greatly aid the voter in selecting the most capable candidates to guide our city for the next four years."

Herb Foley will be moderator for the evening, and Bob Woolworth is serving as chairman.

ABGA to Hold Bridge Party

The Albany Better Government Association has scheduled its second duplicate bridge party for Friday, March 26, 7:30 p.m. at Vista School, 720 Jackson St.

Proceeds from the 75-cent admission, over and above rental of the school, will be used to defray expenses of the Association in supporting their candidates for the April 13 municipal election.

Reservations for the party may be made with Mrs. Grafton Geering, 1439 Marin Ave., LAnd. 5-7113.

Monorail Expert To Address City Service Clubs

George D. Roberts, president of the Monorail Engineering and Construction Corp. of Los Angeles, will show motion pictures of the German monorail transit system and outline the possibilities for such a system in the Bay area at the annual inter-service club dinner scheduled for Tuesday, March 30.

The dinner will be held at 7 p.m. in the social hall of Albany Community Church, Marin and Stannage Aves. The Albany Soroptimist Club will be the hostess club this year, with President Miriam Gilsenan presiding.

Other clubs participating will be the Rotary, Lions, Exchange and Exchangeettes.

The speaker, who will be introduced by Mrs. Sally Nelson, program chairman, will also report on the proposed \$165,000,000 monorail system planned for the Los Angeles Area.

Entertainment for the program will include vocal selection by Fay Cann, accompanied by Lee Ann Stellone.

Dinner tickets are \$2.50 and reservations may be obtained by calling Mrs. Don Bruce at LAnd. 4-3261.

Council Orders Zoning Survey Of Village

The Albany City Council today has instructed the Planning and Zoning Commission to make a zoning survey of Codornices Village which the Federal Government plans to shut down and return to private ownership.

Action was taken by the Council Monday night on a motion of Councilman Jerome Blank, who said he believed now is a good time for the Planning Commission to make a survey so the property would conform with future plans of the city.

Blank explained that all the village lying within Albany is on University of California property. He said that it has never been zoned, although it is nearly surrounded by heavy and light industrial zoned areas.

The Federal Government has already taken the initial step to vacate and clear all buildings from the former wartime housing area before June, 1956. Some 104 buildings are in the Albany section of the village and 133 in Berkeley.

In other action, the Council voted unanimously to "protest vigorously" a proposed State Assembly bill that would impose a 20 per cent admission tax at California race tracks.

Councilmen expressed fear that the proposed State tax might infringe upon the city's 10-cent levy tax at Golden Gate Fields.

A communication from a resident of the Kula Gulf Navy veterans housing project asking for traffic safety measures on Buchanan St. was referred to the chief of police.

GOVERNMENT TO CLOSE CODORNICES VILLAGE

One-fourth of the 1900 families living in both the Albany and Berkeley portions of Codornices Village today have been notified they must find other accommodations within the next six months as the initial step toward a complete shutdown of the former wartime housing project.

J. G. Melville, director of the San Francisco Field Office of the Public Housing Administration, which operates the Village, said that all new rentals have been "frozen" and

Mass Meeting Called

A mass meeting of villagers has been called for Saturday night to discuss possibilities of extending life of the housing project until adequate housing can be obtained elsewhere.

The meeting will be in the Codornices Recreation Building from 8 to 10 p.m.

Plans for the meeting were drafted by a group of residents meeting Monday evening at the home of Mrs. William Redner, of 1221-C Eighth St.

explained that June 30, 1956, was the deadline for completing the removal of the buildings and return of the land to its owners.

According to Melville, the administrator of the Housing and Home Finance Agency ordered termination of the 10-year-old project as it was "no longer needed for defense purposes."

"No local agency has requested

that the project be turned over by the Federal Government for continued operation, leaving no alternative to closing it up in accordance with the law governing wartime temporary housing," Melville said.

He pointed out that the program for closing and disposing of the project calls for a series of steps, beginning with today's "which will provide an orderly and considerate displacement of the 1900 families as possible." All possible assistance will be given by his office and John A. Crowl, general manager of Codornices, in relocating the families, of which about 88 per cent are non-white, it was reported.

The first notices to vacate went to 432 Albany families in the vicinity of Wilson and Ninth Sts., and Sixth and Coolidge Sts., and to 16 Berkeley families living in two buildings at Gilman and Sixth Sts., Melville said.

Election Notice

Applications for absent voter ballots may be submitted in writing to City Clerk Myrtle J. McLean between March 24 and April 8.

Any voter applying and receiving an absent ballot may appear in the office of the City Clerk and mark ballot there. Ballots will be available starting next Wednesday.

Former Mayor Endorses Moore For Police Chief

Former Mayor Charles Frank Graeber today announced that he will endorse and support the candidacy of Charles C. Moore for Chief of Police at the April 13 elections. Former Mayor Graeber says:

"In my many years of service to the City as Mayor and Councilman I have been in close contact with Mr. Moore on many occasions and I have always been highly impressed with the Executive Ability he has displayed, both in the pursuit of his own successful career and in his close association with the Albany Police Department.

"His personal integrity, knowledge of Financial Matters, Organizational Ability, and his long experience in the handling of Personnel are all unquestioned, and I feel that his election to the office of Chief of Police, would bring to the people, an Uninfluenced Leadership and a background of the qualifications so essential to an Administrative Officer of the City Government.

"I strongly urge his election to the office of CHIEF OF POLICE."
(Signed) Charles Frank Graeber,
Former Mayor.

An OPEN LETTER to the Citizens of Albany from the CITY ATTORNEY

Four years ago you entrusted me with the responsibility of keeping the legal affairs of Albany in order, and protecting your tax dollars. I have kept faith with you, putting my whole heart and soul into the job.

I speak ill of no man—especially my opponents who are both fine gentlemen—but I am shocked and alarmed by methods of political pressure groups which overnight mushroom into being, only at election times. These phony, false-front, fancy named cliques such as Good Government League, Better Government Committee, Best Government Association, etc., have never been heard of before! They have one objective: to sell you, the public, a bill of goods. Beware of government by ticket—you may look with justifiable suspicion for the selfish purposes behind those who would tell you how to vote for all the offices of this City. You still have the right to pick and choose your own candidates, not from a carefully selected platter but from the whole field! Don't be misled by the propaganda of "pressurized" ticket-selling insincere crusaders!

It is humiliating to me that false and misleading propaganda has been circulated about the office of City Attorney and myself. Much has been made of the fact that I do not live now in Albany. Unfortunately, two years ago, on Doctor's order, because of our youngest child's severe asthma, Mrs. Plotner, I and our children were forced to move to a dryer climate a few minutes drive away. This did not in the slightest degree affect my ability to continue doing a good job as your City Attorney. I have always been available 24 hours a day, and the high standard I set for administering the duties of my office has never varied during the last two years from the first two years.

I welcome your invitation to speak to your club or to groups in your own home on my platform for re-election as your City Attorney. Just call me at my Albany office LA. 5-7171.

Sincerely yours,
EDWARD R. PLOTNER

RALPH M. JENSEN

Your Chief POLICEMAN FOR CHIEF OF POLICE

One of the recommendations made by the Public Administration Service, a nationally recognized agency concerned with governmental efficiency, which was called in by the City Council to study the Albany Police department, was a recommendation for amendment to the city charter for appointment of a chief of police.

This is the usual practice for department heads and it is the method used by practically every city in the United States.

"In making appointments to this post, the council should utilize the Civil Service Board" the report states. "Applications from QUALIFIED CAREER POLICE OFFICERS should be sought."

We, as citizens of Albany, share their belief—that we should have THE MOST HIGHLY QUALIFIED candidate available—OUR CHIEF POLICEMAN AS CHIEF OF POLICE.

The Public Administration Service also said: "Albany has been singularly fortunate in the election of three men of outstanding ability and integrity for the position of chief of police. THERE IS NO ASSURANCE, HOWEVER, THAT ALBANY'S GOOD FORTUNE WILL CONTINUE."

Therefore, we Albany citizens, cannot afford to trust to "fortune" for a man to head the most important department in any city government.

WE MUST BE SURE THAT WE GET A COMPETENT MAN.

That's why, INSPECTOR RALPH JENSEN, a trained expert in law enforcement and administrative ability, is the logical choice. He's next in rank to the chief. He has carried on the chief's duties in the absence of the chief. He is known by and has the confidence of other law enforcement agencies of the bay area.

WE CAN'T LET POLITICAL ALLIANCES DOMINATE OUR CHOICE OF A CHIEF OF POLICE.

As the Public Administration Service says further: "An elected chief of police who is NOT A POLICEMAN does not necessarily possess the minimum qualifications necessary to become a policeman."

WHY TAKE A CHANCE?

Let's safeguard the future of our city
